LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

August 16th, 2002

PARKING REQUEST DURING FRESHMAN "MOVE-IN"

"Opening Weekend" is scheduled to begin on Thursday August 22nd. On that day incoming freshman students and their families will arrive to move students into their residences.

As in past years, most of the activity will be concentrated at the North Halls Complex, 20th & Olney Avenue, making for traffic congestion and challenging parking for unloading along Olney Avenue.

University staff, parent association representatives and student athletes will be present to assist our new students and their families through this hectic day. Although this event can cause some stress on the university's staff; it does not compare with the stress felt by new students and their families moving into campus housing.

For the first time, in an effort to lessen some of the difficulties associated with this day for both student and family and to serve as a gesture of "Welcome to La Salle University," faculty and staff are asked to voluntarily refrain from parking in the Faculty/Staff Lot ("E") next to the Connelly Library and in the Blue/Gold Lot ("F") on August 22nd so that our new family members may have the convenience and use of our parking facilities during "Move-In".

Parking in the Faculty/Staff Lot ("D") in South Campus will be available for your parking needs.

Your cooperation and understanding will be appreciated by all concerned and will go a long way in fostering community here at La Salle University.

Thank You,

Robert J. Levins

Director, Security & Safety

Commemorating September 11th

Are you planning some commemoration this fall for the September 11th Anniversary

Career Services, LaSalle's Nonprofit Center, and University Ministry and Service have been meeting and planning for the first anniversary of this tragic event. We are planning programming throughout the course of the coming year that will reflect on September 11th.

We invite you to include any plan you have made for September and throughout the coming year to be listed in a comprehensive invitation to the campus community. We hope this will enhance all of our events and bring some commonality to our efforts to process the meaning of this experience for all of us.

If you are interested in having your program listed please call Louise Giugliano at 1804. We will have a form for you either online or to be mailed to you.
Deadline is August 30, 2002

Re: ***DON'T GET CAUGHT BY THE TONER-PHONERS!!***

From: NancyLee Moore *NLM*

Recently, there have been several phone calls to La Salle Departments by unauthorized suppliers selling Copier, Printer and/or Fax Toner at inflated prices.

Should you receive a sales call, the best response is to state you are not interested. The University's authorized suppliers will not call to sell toner.

Copier Supplies

The University's authorized copier maintenance contract includes the cost for copier toner supplies at a discounted rate. Check the ID label on your copier for the phone number of your Service Maintenance Company, and call only that number when toner is needed. If you are not sure of your copier maintenance company, please feel free to call Purchasing at 1863.

Printer and Fax Toner

Printer and fax toner prices are included in the Office Basics office supplies contract. Original equipment manufacturer brands, and remanufactured toner by Data Products (as approved by IT) are available. For Okidata fax toner call Purchasing for vendor pricing.
